JOHNSONPLASTICS PLUS

LETTER LEDGE

SUPPLIES

- 1x2 wood cut to size
- Stain *optional
- D-Ring Hangers
- Screws
- Table saw

INSTRUCTIONS

1. Cut wood down to your desired size.
2. Using a table saw to run a channel down the middle of the wood, set it about 1/4" deep.
3. Screw in d-ring hangers to backside. Make sure to screw in lower than the channel so your letters won't be affected.
4. Using a level and measuring tape, mark holes for accuracy.
5. Hang up 9.5" apart or add 1.5" to your letter height.
